a practical and empowering approach to the age old quest to let go of the thoughts and feelings that block happiness impede change and hinder self acceptance anyone who has dipped a toe into any of the world s spiritual traditions knows that letting go and letting be are key but how in this fresh frank and powerful guide peter russell allows readers to see that the things we get hung up on are generally not tangible problems in the present but are instead thoughts feelings interpretations beliefs or expectations we have about them these are not actual things they exist only in our minds and we can strip these no things of their power and let them go by making a simple change of mind russell boils this letting go down to remarkably easy methods of accepting acknowledging recognizing and even befriending what we tend to run from this paradoxical practice generates peace of mind fresh perspectives and wisdom in action in turbulent times like ours this is a true power one available to us all

peter russell s book is not only eminently readable but also a vitally important contribution to the awakening of human consciousness eckhart tolle author of the power of now from science to god offers a crash course in the nature of reality it is the story of peter russell s lifelong exploration of the nature of consciousness of how he went from being a convinced atheist studying mathematics and physics to realizing a profound personal synthesis of the mystical and scientific russell invites us to cross that bridge to a radically different and ultimately healing view of ourselves and the universe one in which god takes on new meaning and spiritual practice a deeper significance

in this special edition of his award winning bestseller visionary scientist peter russell updates his classic manifesto for awakening to the mounting planetary crisis while deepening the connection to inner tranquility amid fears of ecological catastrophe and political chaos this book stands out for its message of sanity and hope
